SCEEP Offers Energy Efficiency Tools Giveaway at Santa Barbara Earth Day Festival

Santa Barbara, CA, April 07, 2015 – The South Coast Energy Efficiency Partnership (SCEEP) is giving away free Energy Savings Kits and Light Emitting Diode (LED) lightbulbs at the Community Environmental Council's 2016 Santa Barbara Earth Day Festival. The **giveaway will take place on Saturday only from 1:00 - 1:45 p.m.** at Santa Barbara County's booths (#166-167) in the Public Square section of the festival.

SCEEP officials will also be on hand at the booth during this time offering information and advice to promote efficient and more sustainable energy use in our region. The kits and lightbulbs will be distributed on a first come, first serve basis while supplies last.

The complimentary Energy Savings Kits are provided by SoCalGas and feature water-saving tools which help homeowners not only reduce water use but also save on energy costs. The LED high efficiency light bulbs, compliments of Southern California Edison, consume significantly less electricity than compact fluorescent and incandescent light bulbs.

About SCEEP

The South Coast Energy Efficiency Partnership (SCEEP) is a partnership of Southern California Edison, SoCalGas, the cities of Carpinteria, Goleta, and Santa Barbara, and the County of Santa Barbara. The partnership is facilitated by Community Environmental Council. SCEEP seeks to make Santa Barbara's South County a progressive leader in energy efficiency. Through local outreach events and educational resources, SCEEP provides real solutions to reducing energy use in homes and businesses. Visit www.SCEEP.org for more information and to learn how you can save energy, save money, and help protect the environment.

Programs funded by California utility customers and administered by Southern California Edison and SoCalGas under the auspices of the California Public Utilities Commission. Terms and conditions apply. Limit one Energy Saving Kit per SCG customer while supplies last. Customers must provide their gas account number. Limit one LED light bulb per SCE customer while supplies last.
